

ECT Policy

1. Introduction

Statutory induction is the bridge between initial teacher training (ITT) and a career in teaching. It combines a personalised programme of development, support and professional dialogue with monitoring and assessment of performance against the Teachers' Standards. Induction provides the ECT the opportunity to demonstrate that their performance against the Teachers' Standards is satisfactory and that they are therefore equipped with the tools to be an effective and successful teacher.

Consortium Trust's statutory induction processes have been developed to ensure our ECT's feel supported and challenged, both professionally and personally, so that they are able to have a positive impact on outcomes for our pupils/students. Consortium Trust follows the statutory guidance set out by the appropriate bodies in Suffolk and Norfolk in addition to the Academy's own induction processes for all new staff. Successful completion of statutory induction consolidates the ECT's initial teacher training (ITT) and demonstrates their ability to meet the relevant standards consistently over a sustained period in their practice.

Our induction processes will:

- support each ECT to demonstrate they can meet all the Teachers' Standards, 'consistently over a sustained period'; statutory guidance, paragraph 1.8 and successfully complete their statutory induction period
- ensure each ECT receives their statutory entitlements: trained induction tutor and dedicated ECF mentor with QTS; a reduced timetable for professional development (in addition to PPA time), observation of experienced teachers; have no unreasonable demands made of them; a pre-planned induction programme; a support plan when necessary; an ECF-based induction programme; formal observation of teaching at least each half-term with verbal and written feedback; regular meetings with the induction tutor and half-termly reviews of progress; fair and rigorous assessment against all of the Teachers' Standards; two formal assessment meetings and reports, and a named contact at the Appropriate Body for Suffolk Appropriate Body this is Emma Hepburn EL.ECTenquiries@suffolk.gov.uk)
- ensure each ECT accesses an ECF-based induction programme with dedicated support from their mentor
- provide appropriate support, advice and guidance to each ECT based on individual talents and needs including lesson observations each half-term
- provide examples of good practice and facilitate each ECT observing effective teaching based on their development needs
- support ECTs to develop positive relationships with all members of the school community for the enhancement of pupil outcomes
- encourage ECTs to become reflective practitioners, supported by ECF resources and personnel to aid personal development
- acknowledge success and celebrate good practice
- provide opportunities for professional development beyond the ECF if required
- support an understanding of the full role and responsibilities of a teacher

This policy is underpinned by a whole school commitment to support teachers new to the profession to develop their skills, pedagogy, and practice.

ECTs will be reminded that their professional association is another source of advice and support.

3. The Early Career Framework

From 1 September 2021 Academy Heads are expected to ensure ECTs receive an ECF-based training programme that is embedded into induction practices in the school

Consortium Academy Trust schools will follow a *provider-led Full Induction Programme*.

The Full Induction Programme Provider is *Ambition Institute with Inspiration Teaching School Hub/Unity Teaching School Hub*

The training provider uses materials accredited by the DfE and validated by the Education Endowment Fund to ensure all ECTs receive a high-quality programme of training and development.

The Core-induction Programme resources the school will follow are *Ambition Institute which has been accredited by the DfE and validated by the Education Endowment Fund.*

The school will follow a school designed, developed and delivered programme that is closely based on the ECF including 'Learn that ...' and 'Learn how to ...' statements, founded on evidence and with reference to recent research.

As the school is following the core induction programme we welcome and will actively participate in the fidelity checks and quality assurance visits undertaken by the Appropriate Body. This will assure our ECTs and school community that the school is demonstrating fidelity to an ECF-based induction and training programme.

4. Monitoring, assessment, and reporting

The induction tutor and ECT will undertake a professional review of practice by half-term in October 2021, February 2022 and June 2023. These will support ECT and induction tutor to gather evidence related to the Teachers' Standards and will be used to write formal reports. These will be uploaded to ECT Manager.

Progress reviews will be completed via ECT Manager by 10 December 2021 and 1 April 2022 for all ECTs.

The first formal report will be completed by 14 July 2022 for full time ECTs

5. Appropriate Body

The Appropriate Body has the main quality assurance role for statutory induction. The school will work with the Appropriate Body by participating in quality assurance visits, phone calls and requests for information as appropriate.

The Appropriate Body is available to the school throughout induction and can be contacted via email, telephone or ECT Manager Helpdesk Tickets: ECT mailbox EL.ECTenquiries@suffolk.gov.uk office phone number 01473 263951.
